10th Annual Meeting: July 7th 2017 at the York Medical Society.

Dear Colleague,

We would like to invite you and/or members of your research group to the 10th annual meeting of the **Yorkshire Vision Network (YVN)** which will be held at the Medical Society, York on July 7th 2017. The aim of the YVN is to establish research links between scientists and clinicians from Yorkshire Universities and Hospitals in order to pursue exciting new lines of enquiry and to exploit the combined resources for vision research that are available across the region.

The programme for the meeting is given below. This year we welcome speakers from our host institutions and Professor Glen Jeffery from the Institute of Ophthalmology.

There will be a registration fee of £30 (£20 for students). The deadline for registration is 30th June 2017. Registration after this date will be £50 (£30 for students).

Posters

There will be a display of posters during the conference so if you or any members of your research group wish to display their work please contact one of the members of the organising committee. Please note there is limited space so the poster allocation will be on a first come first served basis. Also note that posters will be 'hung' with poster grippers (aluminium clips applied to the top and bottom of the posters) that can accommodate up to A0 (landscape or portrait).

Confirmed posters:

"Reduced interhemispheric Stroop-like interference in childhood and ageing"

Jean-Francois Delvenne

'Are there multiple ways to direct attention in visual working memory?'

Amy Atkinson, Ed Berry, Amanda Waterman, Alan Baddeley, Graham Hitch & Richard Allen.

'Differential effects of four types of TMS on signal processing'
